MEDICAL EQUIPMENT SECTION

WWW.CVMGRUP.COM

OUR MISSION & VALUES

Our mission is to help institutions around the world secure the equipment and resources needed to improve and save the lives of their patients.

Far too many people around the world do not have access to the medical treatment and services they need. At CVMGRUP, we believe we can change that.

OUR PRODUCTS

We can help hospitals and clinics use their resources more efficiently, make their budgets go further, and provide more services to their patients. We can expand the reach of medical care to areas that would not otherwise support it..

Our Equipment: **CT scanners, MRI machines, PET/CT Scanners, Ultrasound & Patient Positioning Lasers etc...**

EXPERT RESOURCE

We leverage our 20+ years of experience and share our industry expertise to help you select the best quality equipment for your investment and for your patients.

GLOBAL PRESENCE

We have partnered with more than 500 facilities in over 60 countries and have a global network of best-in-class engineers to inspect, install, test and service your equipment.

QUALITY MEDICAL EQUIPMENT

Our partners have one of the largest selections of new and pre-owned medical equipment, radiation therapy and diagnostic imaging equipment, accessories and parts, and all of our -certified machines undergo a rigid inspection and are guaranteed to meet OEM specifications.

OUR PARTNERS

Together, we can provide everyone with access to the quality healthcare they deserve.
